

## **FOR IMMEDIATE RELEASE**

### **PRESCOTT'S MED ANNOUNCES ACQUISITION OF TENACORE - STRENGTHENING ITS POSITION AS A LEADER IN SURGICAL SUITE AND SPECIALTY BIOMED SOLUTIONS**

**Monument, CO – November 10, 2025** – Prescott's Med is thrilled to announce a major milestone in the company's ongoing mission to be the trusted leader in surgical suite and specialty biomed solutions, supporting healthcare biomed strategies. Prescott's Med has acquired Tenacore, based in Costa Mesa, CA, a recognized leader in depot-based medical device repair, parts, and technical support.

Established in 2000, Tenacore has a strong reputation for delivering a wide range of depot repair services, medical equipment, and parts. With a "Quality at the Core" focus, Tenacore is a trusted industry partner for hospitals, ISOs, and in-house biomedical departments.

"This strategic move represents far more than an acquisition by bringing together industry-leading specialists to create an unparalleled, nationwide depot partner for biomedical teams," said **Brian Straeb, Chief Executive Officer of Prescott's Med**. "By unifying our expertise, infrastructure, and service excellence, we're delivering a new standard of reliability and responsiveness for our customers across the country."

This acquisition reinforces the commitment of Prescott's Med's as a true partner to biomedical teams. The company is building its support service operations to enable healthcare providers' chosen biomed service solutions. The addition of Tenacore increases Prescott's Med's already robust depot capabilities. Together, the companies have a nationwide network of depot locations, an expansive inventory to support repair services, and expanded service capabilities—including infusion pumps, patient monitors, blenders and regulators, defibrillators, ESUs, parts, rentals, and more.

### **About Prescott's Med**

Prescott's Med continues to grow both organically and inorganically to support specialty biomed and provide field and depot service solutions. Prescott's Med includes several specialized service divisions, including Surgical Microscopes (Prescott's Inc.), Anesthesia (Heartland Medical), Sterilizers and Washers (PMM & Washer Solutions), Infusion Pumps (Adepto Medical), and Patient Monitors (Pioneer Biomedical). Prescott's Med tailors its services to match your facility's unique operational requirements. Our flexible service options ensure that you receive exactly what you need, when you need it, with the peace of mind that comes from working with a trusted partner.
